Charming cottage-style West Seattle home with a rare 720 sq ft detached garage/shop. Originally built in 1934 and thoughtfully rebuilt from the studs up in 2014 with new framing, insulation, electrical, plumbing, roof, HardiePlank siding, Milgard windows, ductless mini-splits, tankless water heater, and a complete kitchen and bath remodel. Beautiful bamboo flooring runs throughout the home, while the spacious kitchen features vaulted ceilings, granite countertops, stainless steel appliances, gas range, and dining area. Loft space provides an ideal setting for a home office or creative retreat. The fully fenced yard with gated entry offers room for gardening, pets, entertaining, or relaxing outdoors. Conveniently located with easy access to shopping at Westwood Village, local restaurants, parks, and major commuting routes to downtown Seattle and Burien.
